Catawba Mountain Haven

A rare chance to own 53.6 surveyed acres of mature hardwood forest and open fields with a 3 bedroom, 2.5 bath home that borders the Appalachian National Scenic Trail and is just a stones throw away from Havens Wildlife Refuge AND Carvins Cove. The expansive home enjoys a pool with wrap-around deck and has an open concept Kit/DR/GR - all with views of Fort Lewis Mountain. The large primary suite has attached bath and private deck with path leading to small barn with chicken coop. The ~6.5 acres of open land is partially fenced and gently rolling - just begging for horses and other livestock!
